

Purebred / Half-Arabian
Declaration Form

Firecreek Farwa Versatility Award

The winner of the Firecreek Farwa Versatility Award has the highest combined total points from a combination of classes to include **Cutting** (herd work may substitute for cutting), **Reining** (must be an actual reining class, not dry work of reined cow horse class), **Working Cow** (may use the fence work score from reined cow horse class), **Trail, Ranch Pleasure, Western Riding**, and **Performance Horse Halter** held during Thursday, Friday or Saturday competition. Must enter and show in at least three categories of the listed categories. **One of which must be cutting, reining or working cow.** Each category of class may only be used once; however, the show office will base calculations on scores from each horse's highest placing class. Scores from both open and amateur classes will count toward final total score. **Firecreek Farwa Versatility Award is given to both an Arabian and a Half-Arabian Champion and Reserve Champion.** This declaration form must be on file in the show office before points will be awarded. In addition a copy of the appropriate registration papers must be on file in the show office.
